PERSONAL INFORMATION

I'm a 23-year-old, highly driven individual with strong academics, work ethics, refined communication skills and a tested ability to work under pressure. I have a passion for life-long learning and self-development. I hope to gain experience and exposure. I am adaptable to work with a team or individually.

I am a proud NCRST Science regional winner for the year 2016. I always set out to be the best I can be by setting myself challenging goals and working tirelessly to achieve them.

I am a Namibian citizen, born in Andara, on the 5th of December 2000. I am unmarried and of perfect health w/ blood type of AB
